

Where the quarterly momentum comes from

Point estimates from official reporting — not a league table of group size.

*CACIB figures use Crédit Agricole S.A. Large Customers / CIB-related published labels; BNP figures use BNP Paribas CIB labels. Source files and URLs are preserved in data/q2_2026_cib_public_metrics.csv.

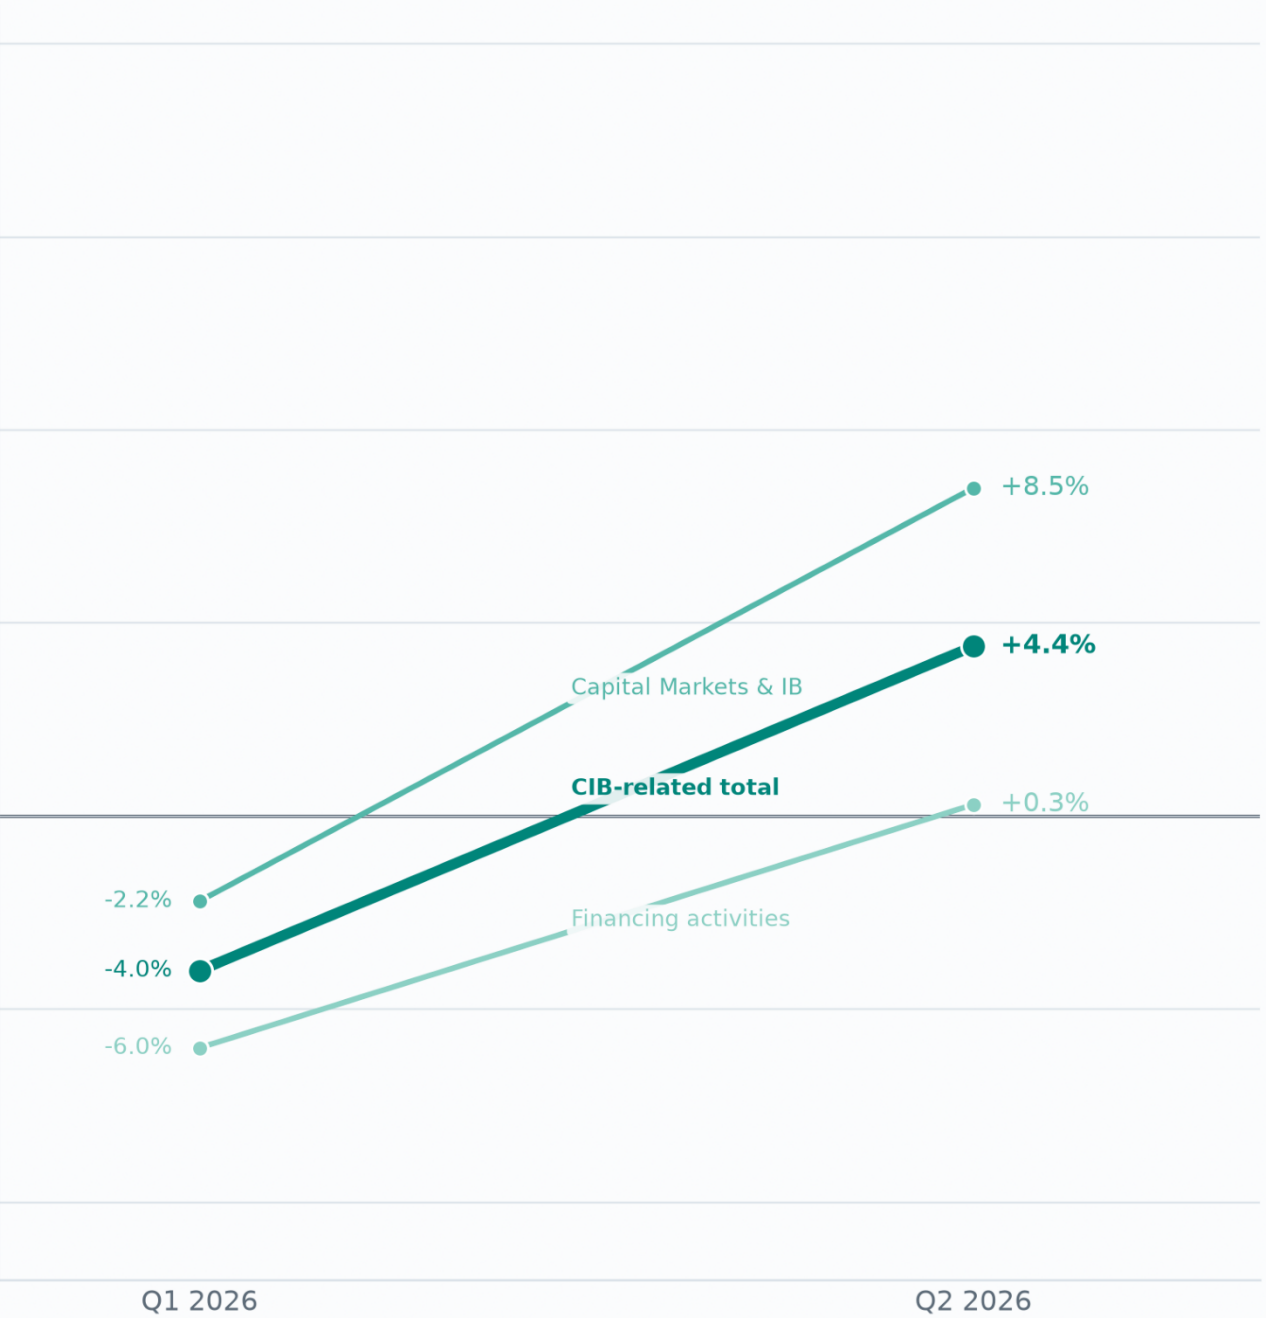

From Q1 headwinds to Q2 acceleration

Double curve: the latest quarter changed the direction of the story

BNP PARIBAS CIB

CACIB / LARGE CUSTOMERS

BNP and CACIB reported categories are shown in separate panels; Q1 and Q2 are not treated as identical perimeters. BNP source: 1Q26 and 2Q26 results. CACIB source: Q1/H1 2026 results.

From European hubs to client solutions

A visual operating model — not a revenue-weighted Sankey
